Last Thursday, February 20th, a group of Coronado women held their first meeting to discuss plans for establishing a federated women's club in Coronado. Ten women have been working on this project for about a month, and the meeting in the form of a tea was held at the home of Mrs. H. L. Rose. Women were invited who were interested in the formation of such a club, and there were about 40 in all. Mrs. Ben Sturtevant of National City, who is President of the San Diego County Federation of Women's Clubs, spoke, explaining points of interest in forming such a club. Mrs. Cordingley of National City was also a guest. Mrs. Cordingley is President of the County Hostess Committee.

Women at the tea signified their desire to become charter members of this proposed club, and another meeting is scheduled for March 5, at the Parish Hall of the Presbyterian Church, at which time officers will be elected and by-laws adopted.

THE CORON

CORONADO WOMEN PLAN TO ORGANIZE CLUB

At a meeting attended by 40 women held in the home of Mrs. H. L. Rose, 1011 E-av., last Thursday plans were discussed for organizing a Woman's Club in Coronado. This meeting developed out of the interest in this project of ten women: Mrs. Clarence Anderson, Mrs. Elwin Anderson, Mrs. Robert Bradt, Mrs. Charles Latham, Mrs. Lyman Latham, Mrs. Merrill Duncan, Mrs. H. L. Rose, Mrs. Hugh Rush, Mrs. Martin Wicarius and Mrs. M. R. Francis. They held three preliminary meetings, then each invited four women to attend the meeting last Thursday.

Mrs. B. Sturtevant of National City, who is president of the San Diego County federated woman's clubs, was guest speaker, and talked on the value of the federated club. Another speaker at the meeting was Mrs. Frank Cordingly, hostess of the San Diego County federated woman's clubs.

The next meeting will be held March 5 in the Parish Hall of Graham Memorial Presbyterian Church at 1:30 p.m., to organize the club, to adopt by laws and to elect officers.

NEW CLUBS FORMING 3/2/47

New clubs, branches of established groups and independent ones, seem to be springing up like the proverbial mushroom. One of the most interesting in process of formation is a group of close to 50 women in Coronado who have already had four meetings looking toward formation of the Coronado Woman's club. By-laws now are in process of adoption and election shortly will be held. The group hopes to clear through federation channels, so that it will be a full-fledged club announced as a member group by the County Federation at its April convention. This will give the Coronado Club the honor of being presented as part of the big California State Federation at its convention in Hotel del Coronado this May. Mrs. Ben B. Sturtevant, president of the County Federation, recently met with the women and explained the aims, purposes and mechanics of federation. Leaders in the movement include Mrs. Merle Francis and Mrs. Hubert Rose.

CORONADO CLUB FORMED

Coronado Women's Club, just organized, now has 63 members, has accepted by-laws, elected officers, named committees, affiliated with the County and District Federation and is looking forward to being part of the General Federation setup within the prescribed year. The Club is particularly thrilled, its officers state, to provide, through this organization, a "Hostess Club" in the City, where the California Federation of Women's Clubs will meet next month for its big convention.

Incidentally, according to Mrs. David A. Fraser, local Convention Chairman, 700 reservations already have been received from out-of-town delegates and members for that big assemblage, and Hotel del Coronado can take no more.

Besides overcrowding its facilities, rooms rapidly are being snapped up in all other available hotels.

OFFICERS NAMED

Officers of the Coronado Women's Club are Mmes. Merle R. Francis, President; Merrill Duncan, Vice President; Hugh Rush, Secretary, and Robert Bradt, Treasurer. Mrs. Francis already has announced her list of committees, which are as follows:

Program—Mmes. R. E. Archibald, G. R. Estey, E. H. Garard, Clarence C. Fifield, N. H. Faubel, Robert Neimyer, Arthur Seavey, Harvey Moore. Finance—Mmes. H. L. Rose, W. H. White, Ltman Latham, Elmer Muhl. Membership—Mmes. Clarence Anderson, Russell Rush, Martin Wicarius, Burton Harvey, Charles Latham, J. T. Talbert, H. E. Niedermeyer. Hospitality—Mmes. J. W. Rodes Mark Neauchamp, Walker Brown, Paul Corriere, J. Fisher, Harry Perkins, M. L. Sherman, H. T. Wray, H. G. Corey. Ways and Means—Mmes. Alan Laing, A. R. Boileau, R. J. Christensen, Charles Challecombe, Herman Hughes, Curtis Hinkle, R. R. Hall, M. R. McColley, Walter Runney, Michael Thomas and F. R. Bellaire. Mrs. Michael Thomas also has been named representative of the Club on the Coronado Safety Council.

Other committees: Civic Interests and Welfare—Mmes. E. T. Anderson, R. F. Davis, Mack Farney, Edward Hogan, H. F. King, Carl Nelson, Carl Nickell, Quentin Ray, J. B. Vernetti, Mary Waters, George Bunker and Earl Jackson. Projects—Mmes. Charles Soderbery, R. D. Carrothers, B. M. Powers, W. T. Vandiver and Edward Donnelly.

RECESS IN MAY

The Club now is meeting in homes and at the Christ Church and Presbyterian Parish Houses but is casting about for a permanent home. The next meeting will be held in Christ Church Parish House May 7, when Mrs. Elfrieda Farmer, pianist, will play and Robert Carlisle will speak on "Interior Decoration."

The plan now is to recess for the Summer after the May meeting and to plan a definite program of study and entertainment preparatory to resumption in September.

Mrs. Francis has invited her Board and Committee Chairmen for a luncheon tomorrow noon in her home, 1110 Loma Ave., Coronado.

PROPOSED BICYCLE PATH DISCUSSED

Placing a bicycle path in the Orange-av. center parking, after streetcar service gives way to buses, would cost approximately $2000, Coronado Merchants Association members learned at a conference April 21.

The association is interested in the proposed path as a safety measure to keep cyclists off sidewalks and out of heavy street traffic.

The California Highway Department, which has jurisdiction over the avenue, would not object to a bicycle path in itself, but is opposed to leaving the intersections as they are, said R. L. Beuthel, assistant to the district engineer. President Sam F. Mason of the San Diego Electric Railway Co. explained the company's obligation, under franchise terms, for restoring the right-of-way; the path would cost $2000 "on somebody's part" and is not a railway obligation.

Association representatives will discuss their plan with city officials. Jay-walking would be all but eliminated, they believe, by the erection of metal posts 6 to 8 feet apart, supporting a chain along the parking. This barrier would be "inside" the area, not beside the curb.

Besides Mr. Mason and Mr. Beuthel, those attending the conference were Neil Grimsley, 20-30 Club representative on the Coronado Safety Council, who gathered figures on the estimated cost; Mrs. Michael Thomas, Woman's Club member on the council; and President R. K. Eastman, Secretary George Heckard, Lou Pollack and Dr. William L. Barkin of the association. After luncheon at the Dinner Basket, they conferred at Dr. Barkin's office.

The Coronado Woman's Club held its last meeting of the season on May 7, and the next regular meeting will not be held until Sept. 3. The club will not be entirely inactive during the summer, however, as a luncheon is planned for July 23 and a guest tea is scheduled for Aug. 20.

The Coronado Woman's club is federated with the County, District and State Federation of Woman's clubs. For the State Convention of Woman's Clubs to be held at Hotel del Coronado May 20-23, the local club has chosen Mrs. Merle Francis and Mrs. Merrill Duncan as delegates.

Interesting, because the annual state convention is to be held in Coronado is the announcement by Mrs. Ben. B. It is expected the new club, now a member of the county and Southern District, will affiliate with the state at the board meeting preceding the convention. Mrs. Merle R. Six San Diego County clubs affiliated with the General Federation during the closing club year, and one club, Alpine Womans club which has been a member of the county federation only, became a member of the state federation. May, 1947.

Words by Lulu M. Williams
Music by Avis S. Porterfield

Banded in true fellowship
In this sunny land of ours,
With mountains, ocean breezes,

Loyal to the cause we love,
Firm with one goal in mind,
Till achievements of our County
Stand as a beacon to mankind.

We'll work for thy renown
Shining like a gem resplendent
In Federation's Crown.

G.F.W.C. National Leader Tells Preparedness Need

State Convention of Clubwomen at Coronado Hears Methods Outlined for Assuring Peace

BY BESS M. WILSON

CORONADO, May 21.—A thousand members of Federated Clubs of California today heard their national president, Mrs. La Fell Dickinson, say that she is afraid of another war and that the United States must be prepared with a great military force even while building a strong peace machine.

This preparation can be made through compulsory military training for its youth, through women's active share in all peace building and all domestic affairs and through America's continued expansion of friendliness to and care of peoples now suffering from the late war, she declared.

Mrs. Dickinson made the chief address in today's session of the three-day convention of the California Federation of Women's Clubs here. Mrs. Benjamin F. Warmer of Ontario, State president, made her annual address this morning.

Harder Work Urged

American women must work harder to prepare a national soil in which wholesome crops will flourish and Communism will die, Mrs. Dickinson said as she discussed the work of the more than 3,000,000 women whom she leads.

"I wish all Communists would leave the United States," she said, "but since they won't, we must keep people at work and thereby fed and clothed. Communism does not grow in the hearts of people who are happy and comfortable. We must also expand our acquaintance and friendship with other nations. The General Federation of Women's Clubs has 26,000 members who are each month writing letters, sending little gifts and boxes of food to women in other countries."

Mrs. Warmer stated her conviction that the great present need in women's organizations is participation in public affairs.

New Frontier Sketched

"This is a new frontier for most women," she said, "but if we are to have the world we want we must cross it." She and Mrs. Dickinson are agreed that woman's failure to supplement man's work has been at fault in the past.

Mrs. Warmer also urged her constituency to increase the work with and for youth and be aware of the alarming increase in crime.

"The cause or combination of causes should receive careful study from us," she said. "We hope through concerted effort of many forces that a plan may be worked out, building away from crime and eliminating such destructive forces as crime-depicting movies, horror radio features and current indecent literature.

Redistricting Issue

The question of redistricting the State for the greater convenience of clubs in remote areas will probably come up for serious consideration by the convention. While this question has been tossed about for some 15 years, it has never been decided. "It's one of those things each State president has not wanted her administration to handle; consequently it is passed on each year. Now it has to be settled," one leader said.

Resolutions, to be voted upon Friday, include one from the San Francisco district asking for a harbor at Crescent City, another urging preservation of an adobe house, one occupied by Gov. Don Juan Alvarado, indorsement of legislation aiding recruitment of student nurses, and others of a general nature.

May 21, 1947.

With the formal opening ceremonies to have taken place this morning in the ball room of Hotel del Coronado, the 44th annual convention of California Federation of Women's Clubs was to begin its busy schedule of business, to be concluded Friday afternoon. Mrs. LaFell Dickinson, of Keene, N. H., President of the General Federation of Women's Clubs, arrived early last evening and was guest of honor, together with Mrs. Benjamin F. Warmer, State President, and members of the state board, at a reception given by the local board. Mrs. Warmer was to make her address on the topic, "The Command is Forward," this morning, while Mrs. Dickinson will speak this afternoon.

A list of resolutions was drawn up yesterday by the resolutions committee and was considered by the state board for presentation to the general assemblage. The clubwomen of the state, represented at the conclave by more than 1000 members, will act on proposals to protest two nursing bills now before the legislature which would do away with the eight-hour law for student nurses and which would make out-of-state nurses eligible for practice in California without examination for state licenses.

Change of Liquor Regulations

Other resolutions will ask for a change in the rules of the State Board of Equalization for issuing liquor licenses, and that Federal and State enforcement agencies for the control of narcotics be more efficient. The women also will consider a proposal that more money be allotted to stop smuggling and peddling of drugs.

By-laws must be revised, according to Mrs. John H. Brubaker, of Walnut Creek, State Resolutions Chairman, before action can be taken on redistricting the state for more just division of clubwomen at the district level.

Chief topic of conversation among the delegates yesterday was the elections scheduled for Thursday, with the only contested office that of State President. Mrs. I. H. Tielman, of Selma, and Mrs. J. C. Bradbury, of Ceres, are the candidates and, since both are well qualified for the position, the vote promises to be close. Election results will be announced in time for formal installation Thursday night.

An elaborate District dinner will take place this evening, with Mrs. A. G. Kieser, Southern District President, as Chairman. Mrs. Warmer, Mrs. Dickinson and Mrs. Earl B. Shoesmith, of San Leandro, Past President, California Federation, will preside.

Public Affairs Participation

Mrs. Warmer, in a talk prepared for delivery this morning, said that the greatest need in women's organizations today is greater participation in public affairs, a new frontier for most women. "But if we are to have the world we want, we must cross it."

She also urged women to go forward with the youth conservation program until every community is alive to the needs of youth in that community. "We must make certain that young people inherit a free country and that they are equipped to become the kind of citizens who will cherish and maintain democracy."

Mrs. Warmer expressed the hope that some plan could be worked out building away from crime and eliminating such destructive forces as crime—depicting movies, horror radio features, current indecent literature and crime comic strips.

The state board endorsed Mrs. Warmer for the Second Vice Presidency of the Western Federation of Women's Club and also endorsed the eligibility of Philippine Woman's Clubs as members of the Federation.

In impressive ceremonies conducted by Mrs. Benjamin H. Warmer, State President, last night in the ballroom of Hotel del Coronado, Mrs. J. C. Bradbury, of Ceres, was installed as President of California Federation of Women's Clubs. Mrs. Bradbury defeated her opponent, Mrs. I. H. Teilman, of Selma, in a close race, the final count being 385 to 374.

Installed with Mrs. Bradbury were: Vice President, Mrs. Earl Hazelton, Northern District; Vice President at Large, Mrs. Marvin Herman, Alameda District; Recording Secretary, Mrs. R. N. Stryker, Los Angeles District; Treasurer, Mrs. Jay T. Cooper, San Francisco District; Auditor, Mrs. A. G. Kieser, Southern District.

The more than 1000 clubwomen from throughout the State, with Mrs. LaFell Dickinson, of Keene, N. H., General Federation President, in attendance, were to conclude their four-day 44th annual convention this morning.

Resolution Adopted

Among resolutions passed yesterday afternoon was that backing a harbor midway between the Columbia River, San Francisco Bay and Crescent City, and another appointing a committee to seek cooperation with leaders in industry, agriculture, labor and government to promote high levels of production, employment and a fair distribution of commodities.

The assembly adopted a resolution urging that a labor law permitting student nurses to work only eight hours a day and 48 hours a week be kept and not repealed through Senate Bill 303. The women voted to demand adequate enforcement of narcotic laws.

The final resolution adopted urged that state laws be changed to provide for retail sale of all intoxicating liquors at state-owned stores, and that cities and counties have local option to decide whether or not liquor shall be sold within their boundaries.

Youth today censures the older generation because it twice has been led by the elder statesmen into war and insecure peaces. Youth blames the older group for the overdone individualism which has brought on dictatorships, monopolies of unions and of industrialists. It blames the elders for the instability of family life today and charges the oldsters with the state of the world, wherein possibility of a man-made cataclysm caused by the atom bomb could wipe out civilization as was done in the ice age. Our civilization must change or die, and youth knows this.

Youth's Challenges

These charges were made yesterday by Dr. George A. Warmer jr., minister of Holliston Ave. Methodist Church, Pasadena, in his talk on "Youth and Today's Challenges" during the morning session of the conclave.

What clubwomen can do to answer these deep criticisms is, first, to help youth develop a true sense of community. Because women now have achieved equality with men, they can demand mutual fellowship in the home and create again stable family relationships. Women should do everything to help youth choose good mates as the basis for future families.

In the final analysis, women can decide war or peace if they consciously meet these challenges, Dr. Warmer stated, and thereby satisfy youth's demands.

Literature awards were made to the Pathfinder Club, Compton, Oakland Council of National Jewish Women and Los Angeles District.

CLUB LEADERS DISCUSS PARLEY PROGRAM

Mrs. J. C. Bradbury, left, was installed as President of California Federation of Women's Club by Mrs. Benjamin F. Warmer, right, outgoing President, last night in Hotel del Coronado during a session of the annual state convention. The conclave, which began Tuesday, was to end this afternoon.

Federation extension awards went to Los Angeles County with 21 new clubs and to San Diego Woman's Club. The Josephine G. Seaman Award of Merit for civic betterment was awarded to Antioch Woman's of Alameda District County, the Twentieth Century Club, of Eagle Rock, Los Angeles District, Chester Club, Northern District Plumas County; Outdoor Arts Club, San Francisco District; Wasco Club, San Joaquin District, and to San Bernardino Woman's Club, Southern District. This club raised more than $5000 with a charity ball, distributing the proceeds to many local agencies requiring adi.

Anne Beard, Santa Ana Woman's Club; Florence Morris, Balboa, and Mrs. Fred Kaiser, Oakland, won the drama awards.

"Women and a New Day" was the topic of Dr. Louis H. Evans' talk yesterday afternoon. Dr. Evans, pastor of the First Presbyterian Church of Hollywood, stated, "Things must change. We cannot go on this way. We expected the war would bring a new day and a new peace but as yet they have not arrived. How can we bring the new day about?"

After exposing the futility of such plans as the degeneration theory, the escalator theory (that humanity is marching to heights no matter what individuals do), the oscillation theory (that humanity is like a pendulum, always rising and falling), and the educational theory (that education is all we need and the intellect is enough), Dr. Evans propounded the idea that the theory of the spirit is the only adequate one.

"Out of the heart are the issues of life and all our clubs and organizations must begin to work on that. Unselfish plans cannot be worked out by selfish people. Education now will have to include the culture of the soul and the spirit. We must add spiritual intention to our scientific inventions, mercy to our might, pity to our power, prayer to our programs, soul to our science and love to our limbs of steel. Beneath an air of culture must go a solid character, and along with art must go the proper attitude. We must have great purposes for our possessions."

In conclusion Dr. Evans warned that time is running out and it is a race between atomic science and power of the spirit. Which ever gets there first will win and women must play their part as never before, as giving swiftness to the spirit and winning to this work.

Presiding during the morning session were Mrs. Warmer, Mrs. C. A. Makin and Mrs. Marvin Herman. In the afternoon, Mrs. R. N. Styker and Mrs. Earl J. Hazelton presided with Mrs. Warmer. At the annual banquet last night Mrs. Warmer presided. A pageant of federation, "The Crown of Achievement," written and directed by Mrs. Amer C. Stolp, State Music Chairman, formed the highlight of the evening's entertainment.

Red Stand Clarified

Mrs. LaFell Dickinson, President of the General Federation of Women's Clubs, the day the convention opened, told a press conference she is opposed to banning the Communist party in the United States and emphasized that her opposition was based on belief that activities of the party can be combatted more effectively if it is permitted to operate in the open and is not driven underground. Her stand was reported in The Tribune-Sun but the basis for her opposition was not reported fully and Mrs. Dickinson today asked that it be made clear that she opposes Communism and all it stands for.

A SONG OF PEACE

This is my song, O god of all the nations,
A song of peace for lands afar and mine;
This is my home, the country where my heart is,
This is my hope, my dream, my shrine;
But other hearts in other lands are beating
With hopes and dreams the same as mine.

My country's skies are bluer than the ocean,
And sunlight beams on clover-leaf and pine;
But other lands have sunlight, too, and clover,
And skies are sometimes blue as mine;
Oh, hear my song, thou God of all the nations,
A song of peace for their land and mine.

CORONADO CLUBWOMEN FORM SPEAKING, GARDEN DIVERSIONS

By IRENE M. CLARK
The Union's Club Editor

July 8, 1947

Coronado Woman's Club, though only a few months old in Federation circles and recessed for the summer, has achievements to its credit during this quiet season. It has organized a unit of the Toastmistress International and established a garden section.

The women who make up the club's roster discovered, as do most club leaders, how necessary it is to be able to think and speak quickly, accurately and lucidly. Hence the Toastmistress unit came into being at a meeting June 23 in the home of Mrs. H. L. Rose. A luncheon meeting of this group is planned for Aug. 12, and thereafter sessions will be held the second and fourth Tuesday of each month, beginning Sept. 9.

OFFICERS ELECTED

Mrs. R. A. Bradt has been elected President; Mrs. R. W. Rink, Secretary; Mrs. H. W. White, Treasurer; and Mrs. E. P. Hogan, Program Chairman and First Topic Mistress. Other members are Mmes. J. J. Corrin, G. R. Estey, M. R. Francis, C. R. Hinkle, E. E. Jackson, H. L. Rose, W. R. Rumney and H. M. Rush.

Organization of the garden section came June 30 in the home of Mrs. C. C. Latham. Meetings will be held the first and third Thursdays and will be inaugurated with a 9:30 breakfast party July 17 in the garden of Mrs. Paul Corriere, 412 B Ave. who is section Chairman.

Mrs. E. A. Gerard has been elected Program Chairman. Other members are Mmes. Bradt, Corrin, R. S. Davis, Merrill Duncan, Estey, Burton Hervey, H. W. Hughes, C. C. Latham, R. W. Rink, J. W. Rodes and H. L. Rose.

The old saying about "All work and no play"—is one of the precepts the club seems to have adopted, since it also is carrying out a plan to learn the fad of the day, square dancing.

Under direction of Mr. and Mrs. W. T. Vandevir, members of the Club and their husbands meet at the USO twice a week to swing partners, do si do, and all the other treasured movements of this old fashioned romping dance.

MEETINGS SCHEDULED

The next meeting will be at 8 p. m. Thursday, and on July 15 and 17. The women and their escorts also went through the figures last night. The women point out that regular attendance is not necessary, but they do not expect anyone will drop out. It's too much fun, and good for the waistline.

Mrs. H. L. Perkins is serving as Chairman of a Planned Potluck Luncheon to be held at 1 p. m. July 24 in the patio of the home of Mrs. Duncan. Immediately following, she states, there will be a "White Elephant" sale sponsored by the Ways and Means Committee.

Land, Civic Center Plans Remain Lively Question Despite Rumors of Sale

Oct. 9, 1947

While case-hardened Coronadans again heard that Hotel del Coronado and part of the Spreckels land was being sold—for sure, this time—civic organizations and the City Council proceeded with plans for municipal ownership of the land, as well as for construction of a City Hall and jail.

Conferring with bond experts in Los Angeles were Mayor Archibald Abel and City Atty. J. R. Goodbody. They wanted to learn just what can be done, by Coronado, concerning bond issue proposals.

The City Council carried on, Oct. 7, at its regular meeting, with Councilman George F. Neal returning to the chair as acting mayor. He'd presided most of September, during Abel's vacation.

Most of the replies from organizations favored the proposals, in connection with the council's request for an expression of sentiment and for suggestions. A "town meeting" also is to be scheduled.

Shortly before the council met, the president of one civic organization said that, this time, reports about the hotel's sale apparently were true but no details were available. Not all of the land sought by the city was included in the purported deal, it was further reported, altho none of the accounts could be confirmed at that time. The parcel supposedly omitted was the Strand "hog ranch," which Coronado could use as a rubbish dumping location and for cottages or even home-sites. Actual sale of the golf course and the 1st-st. park area would not necessarily remove chances for a sale to the city. It long had been rumored that the new hotel owner might not want these lands.

The council liked the idea for separate land and Civic Center bond issues, as favored by Gordon Whitnall, Coronado's special planning consultant, when he was asked for an opinion. If the issues are separated, "we can't be accused of a 'package deal,'" said Councilwoman Katherine Hurst.

Gist of the replies received from organizations:

American Red Cross, Coronado Branch—Unanimously recommends city purchase of the Spreckels property under the plan suggested (in September).

Governing Committee, Coronado Residential Association—Favors the proposals, and an election for a decision by voters; but recommends that each land parcel appear separately on the ballot. Sales tax revenue could pay for the building projects.

Coronado Section, American Association of University Women—The Civic Center, Library and schools should have priority over land acquisition. An estimated cost ratio of 8 to 1 in favor of the land seems out of proportion. But it would approve the land questions if each parcel appears in a separate proposition, and if the golf course is specificed as a golf course and recreation area.

Coronado Players — No opportunity to consider the proposals until Oct. 13 meeting.

Coronado Woman's Club — Will familiarize members with the proposals, and urge them to express their opinions at the polls.

Girl Scout adult leaders—In favor of proposals as presented, but would welcome opportunity for more discussion and clarification.

Citizens Golf Course Development Committee—Stresses importance of golf course "green belt" and emphasizes annual rental of $28,500 from Amphibious Base land, as well as the fact that the city may sell this land to the federal government for $500,000. Also favors hog farm, 1st-st. and Civic Center.

Coronado Chamber of Commerce, which had expressed opinion nearly two months ago—Favors all three land proposals and Civic Center plus several other improvements. Overall bond issue recommended in August but verbally indicated willingness to accpet more than one proposition.

Lions Club, which took action day council met and had not sent official reply — Favors Civic Center and hog ranch; no action on golf course and 1st-st. pending additional information.

The Rotary Club made no formal recommendation. The 20-30 Club decided not to act as a unit, but indicated individual members might make expressions

Hallowe'en Fiesta Plan Into Action

Oct. 9, 1947

A Hallowe'en fiesta modeled on last year's, but with even the minor "bugs" shooed out, is the goal of the Coronado Co-ordinating Council, which went into action this week for the Oct. 31 event.

Hundreds of children and young people, from pre-school thru high school, will participate in the fesival. Each feature will be handled by a Coronado civic organization.

School teachers ought to get a break and have a rest, said the co-ordinators' chairman, Capt. Henry Guilmette, USN, ret. Some teachers are on committees, but in general they'll be relieved. Last year's duty not only was "overtime" for the teachers, but the children believed the festival was, in part, too much of an continuation of school, the council heard.

Hallowe'en duties were assigned at the council's regular meeting in the high school Monday night. Chairmen will have reports ready at a special meeting Wednesday, Oct. 15, in the school, starting at 8 p.m.

The 20-30 Club again will have charge of the Hallowe'en parade, which forms at the Christmas tree, Orange and Isabella-avs. "Tiny" Bernhard is chairman. A Hallowe'en "art gallery' on business windows will be sponsored by the Parent-Teacher Association, with Mrs. Esther Hagstrom and Miss M. A. Thompson chairmen. Window space will be obtained thru the Chamber of Commerce. Public address systems will be furnished by the Rotary club.

Police will supervise the line of march, assisted by the 20-30. From the Christmas tree, the parade will prceed north on Orange to 5th-st., then west on 5th to the north entrance of Cutler Field, when one of the Hallowe'en programs will be held.

The PTA's request for the food concessions was granted, and proceeds will go to the Youth Club. Parent-Teachers will be assisted by the youth and by the Lions Club, which sold the hot dogs and cokes last year. They'll operate from the Recreation (Youth Club) building, across 6th-st. from the field

Something new, an outdoor dance in this street, was favored by the co-ordinators, on a raised-hands vote. Lions will arrange for the dance, with President John Crise as chairman. Principal A. E. Schaefer of the high school has engaged an orchestra. The dance will follow the Cutler Field events

If the Toastmasters approve at their meeting tonight, their club again will furnish noise-makers for the Hallowe'en fun.

General program chairman is Phil Dennler, assisted by Girl Scouts, for the first, second and third grades; the Coronado Woman's Club, for the fourth, fifth and sixth grades; and athletic and school officials for the junior and senior high events on Cutler Field

Costume judges will be selected by the Woman's Club. Lighting and a ramp will be the fire department's contribution. Boy Scouts will operate a "lost and found" children's bureau. The American Women's Voluntary Services will handle prizes, for which several other organizations may contribute. Coronado's new Soroptimist club will serev as a liaison between the council and the parochial and nursery schools.

W T. Vandiver, city recreation director, will be on an Eastern trip Hallowe'en, but offered the services of his two part-time assistants, who attended the co-ordinators' meeting and had started work on some details.

Girl Scout Activities Include Broadcast

It probably came as no surprize to Coronado listeners that "Pop" Millar was made an honorary member of the Girl Scout organization on last Saturday's Girl Scout Reporter broadcast. All of us know his ideals and his high aims for the community, purposes shared by Scouting. The investiture was made by Audrey Patton, member of Mrs. M. C. Fox's Mariner Ship 21.

Coronado Scouts were also well represented last week end at Camp Tapawingo where training and fun for leaders of all age levels was programmed. Workshops were conducted on Community Life, Juliette Low, and International Friendship; and other activities included were dramatics, folk dancing, singing, and outdoor cooking. Mrs. E. A. Olson, Dean of the Vocational School of the San Diego City School System talked on "Girl Behavior" and Miss Kit Cartwright of the Pasadena professional staff led the evening campfires. Attending from Coronado were Mrs. D. C. Wray, Mrs. Wm. Tagg, Mrs. Kenneth Bandel, and Mrs. G. E. Hughes, Brownie leaders, Mrs. Alex Spence and Mrs. E. E. Jackson, Intermediates, and Mrs. Frank Weisgerber, Mariners.

News to local Scouts is the opening of the Girls Scout Equipment Shop at Walker's Department Store in San Diego. The shop carries a complete line of uniforms and publications.

PRESIDENT'S MESSAGE

It is my desire, as your first president to embody some ideals for the Coronado Woman's Club in this little motto—

Courage to make us truthful

Wisdom to make us watchful

Charity to make us thoughtful.

In Coronado where we are blessed with so much which brings physical comfort and natural beauty, we have opportunity to emphasize the spiritual values. Let us have the courage of thought to think our problems through. Let us have the wisdom to watch and protect our every freedom. Let us have the thoughtful charity to be as generous in word and deed to each other and our neighbors of all creeds and colors, as we are generous with our bounty to the suffering peoples of the world.

Mrs. A. R. Boileau Addresses Rotary Luncheon Meeting

Mrs. A. R. Boileau, president of the newly organized Coronado Soroptimist Club, addressed the Coronado Rotary Club at its luncheon meeting at Hotel del Coronado yesterday.

CORONADO WOMAN'S CLUB COLLECT

Dear Lord, give us Wisdom to make us Tolerant,

Kindness to make us Charitable,

Love to make us Compassionate,

So that we may serve Thee and our fellow man.

YEAR'S MOTTO: "Service is the rent we pay for the space we occupy."

A COLLECT FOR CLUB WOMEN

Keep us, O Lord, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgement and always generous.

Let us take time for all things; make us grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward and unafraid.

Grant that we may realize that it is the little things that create differences; that in the big things of life we are as one.

And may we strive to touch and know the great common woman's heart of us all, and O Lord God, let us not forget to be kind.

—MARY STEWART

Girl Scout News Include Brownie Plans

Scout leaders in San Diego County who were not able to attend the National Convention at Long Beach last week may still have an opportunity to hear the many ideas, projected program and constitutional revisions that came out of the four-day sessions. On Friday, November 14, there will be a panel discussion by convention delegates at the Leaders Association meeting, 10 to 2, in Balboa Park Scout House. The guest speaker will be Miss Oleda Schrottky, dramatic adviser to the national organization.

One of Coronado's Brownie troops is already translating into action the plan for "Making Warm Friends" which will send 100,000 clothing kits to children of Europe during the next calendar year. Troop 164, under Mrs. D. C. Wray, has chosen to outfit a 6-year-old girl.

Troop 91, whose earlier appearance on the Scout quiz program was postponed, will be on the air this Saturday at 10 over KFMB. Led by Mrs. A. L. Bureau and Mrs. Robt. Moore, the girls participating are Janice Kirkland, Beverly Moore, Peggy Needham, Kay Scanlan and Norma Yarbrough.

The seventh grade troop under Mrs. C. C. McBratnie and Mrs. F. Flint, celebrated its birthday Tuesday night at the Yacht Club, and invited Mrs. R. E. Wagstaff's Troop 236, also seventh graders, to join it.

Brownies Make and Fill Dinner Tray Favors for Vauclain Home Children

Fully using the Thanksgiving season's opportunity for both fun and service among Girl Scouts, Brownie Troops 160, 164 and 247 combined their efforts to produce 150 tray favors for the Vauclain Home children. The Brownies voted money from their treasuries to fill the turkey-shaped cups with candies.

Troop 164 held a weiner roast on the Strand and Troop 160 celebrated its birthday with a special cake. The Brownie troop that meets at Sacred Heart school, with Mrs. Richard Harrison and Mrs. Charles Gettler, completed registration and soon will receive an official number thru the county council. Mrs. Kenneth Bandel's 9-year-old group is proud of its new designation as Troop 247.

A number of intermediates tried out at the YWCA pool in San Diego for the Swimmer's badge Saturday. Girls who earned it are Virginia Austin, Judy Jackson, Ann Cameron Lank, Linda Lewis and Sharon Silard. Over the same week-end, Mariner Ship 21, led by Mrs. M. C. Fox and Mrs. Frank Weisgerber, had a wonderful time winter-camping at Tapawingo, with enough snow for a snowman.

Tentative plans for troop-camping during the Thanksgiving holidays have been made by Troop 161, recently taken over by Mrs. Burton Hervey and Mrs. C. A. Nelson.

Troop 38 has a new leader, Mrs. Jack Graham, but Troop 236 needs additional adult help, as does the Intermediate troop meeting at Sacred Heart school. These troops are eager to go ahead in Scouting, a community asset, and deserve the community's full support, leaders said.

Organized eight months ago, members of **Coronado Woman's Club,** have nearly $700 in the club treasury with $500 earmarked for a building fund. Working with the city council, school and sponsoring the Campfire and Girl Scouts are among plans for the year.

Two Groups of Coronado Citizens to Confer Regarding Purchase of USO Building

The Coronado Players and the Coronado Women's Club are endeavoring to purchase the Coronado U.S.O. Building from the Government, it was learned yesterday. George Doolittle, an adviser to these local groups and chairman of the Coronado Civil Service Commission, has been working with the Players and Women's club and has done much to co-ordinate their efforts, a spokesman said.

The purchase plan would give the Coronado Players and the Coronado Women's Club title to the building, and the two groups would make the building available to local civic culbs and organizations for nominal rental fees.

$20,000 was the original purchase price set by the government. Through a number of conferences by the City Council with Theodore Oliver, representing the F.W.A., the price was reduced from $20,000 to the present price of $11,000.

Oliver, Goverment representative for disposal of the buildings, is expected in Coronado about January 9th to confer with Mayor Archibald D. Abel and Doolittle, as the representative of the groups, to further consider the possible sale and purchase of the building, located on Glorietta Bay south of the Hotel del Coronado Boathouse.

In an interview with a Coronado Compass representative today, Mayor Abel made the following 5 point statement:

1. The City cannot buy nor maintain the U.S.O. Building at the present time.
2. Civic groups, such as the Coronado Players and the Coronado Women's Club, should be encouraged to purchase this property.
3. The City Council should do all it can to co-operate with groups that show themselves civic-minded, with the welfare of Coronado at heart.
4. The public should encourage and support the City Council in this stand.
5. I feel that Mr. Doolittle and the two interested groups have made splendid progress toward their goal to purchase the building. I have done and will continue to do all I can to personally encourage and support their effort, as I consider it is a step in the right direction toward civic improvement and making Coronado a better place in which to live.

A special committee met recently to discuss the organization of the Camp Fire Council in Coronado. In January, invitations will be sent to various civic leaders asking that they attend a meeting regarding completion of plans for the organization.

The Blue Birds and Camp Fire Girls were extremely busy last month; eighteen girls toured Scraff's Candy factory, there have been several hikes, and the 'Ordanorac' group spent a weekend at Loligro Cabin in Balboa Park. At the invitation of the Coronado Women's club, a group took part in the entertainment by explaining various phases of Camp Fire, the meaning of the uniform and traditions. They also took part in the Vesper Services held in San Diego. Both Blue Birds and Camp Fire Girls contributed to the Horn of Plenty, and are now taking an active part in the Christmas Seal Drive.

LETTERS

(Editor's Note: Mrs. Merle Francis, member of the central committee of the 1948 Red Cross Campaign in Coronado, has submitted the following plea for your cooperation in this important drive:)

"Making a contribution to the American Red Cross is just paying a premium on disaster insurance. The American Red Cross is insurance for the relief of suffering of every individual and of his loved ones, even when he is not there to look after them, in any disaster anywhere under the American flag. In any disaster the first remark is, Where is the Red Cross? The Red Cross is either there, or well on its way with the needed supplies as well as personnel. In paying your premium to the American Red Cross for your disaster insurance, you are privileged to pay any size premium you wish, but your benefits in times of stress and emergency are unlimited. You do not let other people pay your health or accident insurance premium. Why let them pay your disaster insurance premiums? Give to your Red Cross."

Mobile X-ray Unit Coming To Coronado

In an all-out effort to find every unknown case of tuberculosis in Coronado, the San Diego County Tuberculosis and Health Association is sending its mobile X-ray unit here Thursday and Friday of next week to take free chest X-ray pictures. Coronado committee members announced.

The Coronado Rotary Club and Coronado Woman's Club are sponsors of the unit's visit.

Dr. F. P. O'Hara, president of the association, pointed out that people may have the disease for months before they notice any symptoms or realize they are ill. Yet during that time, their own health is being destroyed, cure is being made more difficult, and they may be passing the disease along to others in their household and communities.

"The only way to be sure you are free of tuberculosis, still the nation's greatest killer of people between 15 and 45, is to have a regular chest X-Ray," Dr. O'Hara said.

The unit being sent to Coronado will be operated at the high school from 9 to 12 and 1 to 4 p. m. both Thursday and Friday, according to Mrs. Walter C. Stitt and Capt. A. J. Gray Jr., committee leaders. The survey is part of the county-wide case-finding program financed by sale of 1947 Christmas Seals.

"It takes only a few minutes to register and have the X-ray taken," Mrs. Stitt explained, "since it's not even necessary to remove any clothing for the picture."

Other Coronadans assisting in advance arrangements for the survey are Mrs. A. E. Richardson, Maj. Gen. J. A. Woodruff, A. E. Schaefer, and Max L. Forney.

Posters made by junior high school students, and telling about the free X-ray pictures, will appear in downtown windows.

Children over 12 will be checked March 18 and all others interested, March 19, the elementary school announced.

Library Plaza Being Trimmed and Planted For Flower Show

Gardeners are busy in the East Plaza, trimming, clipping, planting, and attending the Plaza's horticultural needs in preparation for the annual Coronado Flower Show to be held here April 19th. Beds of cineraria have been planted through the cooperation of the City Park Service. These beds are a feature of the show, and always provide a lovely background for the exhibits.

The communities of San Diego County are going all out this year with their flower shows. Although Coronado will not have a contest to elect a queen, the exhibits themselves and the flower gardens open to the public have always held their own and will be the important and appropriate feature again this year. Coronado's Flower Shows have the reputation of being among the best in the area. From present appearances of the growing plants, this year's show will keep up the established standard.

Mrs. Arthur J. Seavey is chairman of the committee on growing plants. Her co-workers are: Mrs. R. A. Bradt, Mrs. M. Duncan, Mrs. George R. Estey, Mrs. E. A. Garard, Mrs. Harry Perkins, Mrs. R. W. Rink, Mrs. W. Stitt, and Mrs. J. L. Talbert.

Flower Show Plans Progress

Emphasizing the quality of exhibits and of flower gardens entered for public inspection, the Coronado Flower Show to be held in Library Park Saturday and Sunday, April 17 and 18.

Library Plaza is already being prepared for the big event, officers of the Association point out. Beds of cineraria have been planted through the co-operation of the City Park service and these impressive displays will form a delighting background and feature of the show.

"The communities of San Diego county are going 'all out' this year with their flowers shows," observes Capt. H. H. Ritter, president of the Coronado Floral Association. "Coronado will not have a contest to elect a queen, but will put the entire emphasis on the exhibits themselves, and on the flower gardens which will be open to be viewed by flower lovers. In the past our shows have been among the best in this area. From present appearances of the growing plants, this year's show will keep up our established standard."

Mrs. Arthur J. Seavey is chairman of the committee on Growing Plants. The members of the committee are: Mrs. R. A. Bradt, Mrs. M. Duncan, Mrs. George R. Estey, Mrs. E. A. Garard, Mrs. Harry Perkins, Mrs. R. W. Rink, Mrs. W. Stitt, and Mrs. J. L. Talbert.

So far the club has not acquired a club house, but the funds for this purpose are growing rapidly.

Mrs. Merle R. Francis was recently installed president of the Coronado Woman's Club to serve a second term.

During the past year four sections have been formed and a Book Section is in the process of being organized. Coronado Club Dance Proves Mode Display

Gowns worn at the Coronado Women's Club dance Friday night in the Circus Room were as bright as the future prospects of the club after their successful money-raising affair.

Mrs. Earl Jackson, who competed in the Champagne Hour dance contest, was a bright figure in her red and white silk faille palm-tree print. A creation of her own, it was strapless with ruffle around bodice top, a full skirt that showed to advantage when she danced the Samba.

Mrs. Kenneth Owens chose a slim gown for a slim figure: navy blue skirt with cascading front drape, slit at hemline, a white silk blouse-shirt, neckline held with jewelled clips, an emerald cummerbund which matched emerald faille shoes. A green silk faille cloak completed her ensemble.

Mrs. Edward Hogan contrasted her brunette page boy with sea green taffeta made on period lines. A spray of decorative blossoms fell from the bodice to the bouffant skirt.

Summer white pique with front drape over skirt, shawl collar and fitted bodice was the choice of Mrs. Curtis Hinkle.

Mrs. Alan Laing, chairman of the event, was admired in American beauty crepe made with cap sleeves on plain bodice and graceful skirt.

Mrs. Arthur Seavey's gown was two-toned green, the skirt being black-green and the blouse of forest green trimmed with green sequins.

Mrs. Arthur Challacombe selected a black lace dinner gown. Mrs. Houghton Bragg's brunette coiffure and deep sun tan were set off with ice cream pink organdy designed with bertha cuff at bodice top and bouffant skirt. A cameo ornament held on black velvet ribbon was an effective necklace.

Mrs. Martin Wicarius' gown was white crepe fashioned with pencil slim skirt slit at hemline, the bodice being trimmed with gold sequins.

Mrs. Merrill Duncan arrived in lavendar taffeta, a tailored bodice contrasted by feminine lace peplum over taffeta skirt.

Also admired: Mrs. Lee Mather in Roman striped Gibson Girl skirt, white silk long-sleeved Gibson Girl blouse . . . Mrs. Arthur Chytrus in tailored pearl grey crepe . . . Mrs. Hugh Rush in a cotton gown as quaint as her Victorian nosegay (pink, black and white plaid with full skirt and black lace trim on bodice top ruffle and skirt peplum ruffle) . . . Mrs. Paul Corriere in distinctive pastel silk print dinner gown, long sleves, skirt caught in front drape . . . Mrs. J. A. Woodhull in a summer cotton print of large flowers in brown, gray and shrimp . . . Miss Jane Jessop's black and pink swirl print, the gown strapless with black band at bodice top, large black bow on shoulder, skirt extremely full, shirred at waistline (a tiny bolero topped the gown).

Mrs. June Moore was a picture of contrasts: extreme blonde hair and a deep sun tan, a long sleeved crepe dinner gown, off shoulder effect.

Mrs. H. L. Rose Elected Coronado P-T A President

Mrs. H. L. Rose will direct the affairs of the Coronado PTA for the coming year, following her election to the presidency last Tuesday night. Elected unanimously to other offices were Mrs M. A. Tompkins, first vice president, Charles Gailband, second vice president, Mrs. Quentin Roy, secretary and Mrs. Richard Goodbody, treasurer.

The treasurer reported that $421.62 had been raised to date for choir robes for the school choir. This is partially the result of paper drives, assisted by the Kiwanis club, and by a basketball game sponsored by the 20-30 club. Proceeds from the Musical Evening held at the high school recently, added $50 more to the fund.

Mrs. E. E. Jackson, chairman of the civic welfare committee of the Woman's club, presented the proceeds from the recent garden Smorgasbord lunch to Mrs. Edward Hogan for the revolving fund for child health. It amounted to $501.12, with a credit of $80.69 given to the Swingsters account. These proceeds have enabled a Youth Club deficit of $1,249.15 to be paid. Music for the evening was provided by the high school quartet, the girls' glee club, with solo selections by Dorothy Grable and Dan Ray.

Coronado Womens Club to Open Second Season Wednesday, at Parish Hall

Aug. 30, 1948

The Coronado Woman's club will open it's second club year on Wednesday, September 1, at 1:30 p.m., in the Episcopal Parish hall.

Receiving members and their guests at the door will be Mrs. Charles T. Allen, Mrs. Clarence Anderson and Mrs. Elwin Anderson.

Under the leadership of Mrs. Merle R. Francis, president, members are looking forward to a full calendar of events and programs. The feature of the September meeting will be "President's Day," when Mrs. Francis will present two clubwomen, Mrs. David A. Frazer and Mrs. W. S. Rockwell, Mrs. Frazer, past county president of the American Federation of Woman's clubs and now ethics chairman for the state federation, will talk on "Club Ethics." Mrs. Rockwell, mental hygiene chairman of the county federation and jr. past president of the San Diego Woman's club, will take as the topic of her address "The Outlook of a Clubwoman."

The Coronado Woman's club was organized in March 1947 and became a member of the American Federation of Woman's clubs in April of that year. The object of the club is to provide means for culture, philanthropy and socialibility. The club meets the first Wednesday of each month from September through May.

Last year the main object of the club's philanthropic program was to sponsor "Girl Youth in Coronado. Both the Coronado Girl Scouts and the Camp Fire Girls benefited, with members of the Woman's club taking an active part in leadership and council. Mrs. Burton Hervey was chairman of the Girl Scout committee, and Mrs. C. H. Soderbery chairman of the Camp Fire Girls committee.

The club has also raised over $500 for the child health revolving fund of Coronado, through the efforts of their civic welfare committee, headed by Mrs. Elwin Anderson.

Another objective of the club is to have a clubhouse. This is a plan for the future but the ways and means committee, under Mrs. Alan Laing last year, made a start by giving two dances, a white elephant sale and a food sale This year the committee will be under the laedership of Mrs. Curtis Hinkle.

Officers for the coming year are: Mrs. Merle R. Francis, president; Mrs. Merrill Duncan, vice-president; Mrs. Hugh Rush, secretary; Mrs. J. J. Corrin, corresponding secretary; Mrs. Robert Bradt, treasurer and Mrs. Charles Latham, parliamentarian.

The club at present has grown to over one hundred members and hopes to have a steady growth over the years. To be eligible for membership it is necessary to be a resident of Coronado and interested in the aims and objects of the club. New members must be sponsored by two club members and must have attended at least one club meeting as the guest of a member before their name is submitted.

There are five sections to which members may belong, arts and crafts, toastmistress, music, books and the garden section. More sections will be formed as the club grows. Last year there was much interest in the parliamentary law lessons which the club sponsored, so this year at each meeting, Mrs. Charles Latham, the clubs parliamentarian will give a short drill.

One of the customs of the club is the social hour which follows the meeting. For September Mrs. Harry Perkins will be the tea hostess, and presiding at the tea tables will be Mmes. Merrill Duncan, Hugh Rush, Charles Latham and J. J. Corrin. Assisting Mrs. Perkins on the tea committee will be Mmes. Merrill Duncan, Edward Donnelly, G. R. Estey, C. C. Fifield, N. H. Faubel, A. J. Fisher, H. W. Hughes, Robert S. Davis and Robert R. Hall.

Coronado Womens Club to Open Second Season Wednesday, at Parish Hall

Aug. 20, 1948

The Coronado Woman's club will open it's second club year on Wednesday, September 1, at 1:30 p.m., in the Episcopal Parish hall.

Receiving members and their guests at the door will be Mrs. Charles T. Allen, Mrs. Clarence Anderson and Mrs. Elwin Anderson.

Under the leadership of Mrs. Merle R. Francis, president, members are looking forward to a full calendar of events and programs. The feature of the September meeting will be "President's Day," when Mrs. Francis will present two clubwomen, Mrs. David A. Frazer and Mrs. W. S. Rockwell, Mrs. Frazer, past county president of the American Federation of Woman's clubs and now ethics chairman for the state federation, will talk on "Club Ethics." Mrs. Rockwell, mental hygiene chairman of the county federation and jr. past president of the San Diego Woman's club, will take as the topic of her address "The Outlook of a Clubwoman."

The Coronado Woman's club was organized in March 1947 and became a member of the American Federation of Woman's clubs in April of that year. The object of the club is to provide means for culture, philanthropy and socialibility. The club meets the first Wednesday of each month from September through May.

Last year the main object of the club's philanthropic program was to sponsor "Girl Youth in Coronado. Both the Coronado Girl Scouts and the Camp Fire Girls benefited, with members of the Woman's club taking an active part in leadership and council. Mrs. Burton Hervey was chairman of the Girl Scout committee, and Mrs. C. H. Soderbery chairman of the Camp Fire Girls committee.

The club has also raised over $500 for the child health revolving fund of Coronado, through the efforts of their civic welfare committee, headed by Mrs. Elwin Anderson.

Another objective of the club is to have a clubhouse. This is a plan for the future but the ways and means committee, under Mrs. Alan Laing last year, made a start by giving two dances, a white elephant sale and a food sale This year the committee will be under the laedership of Mrs. Curtis Hinkle.

Officers for the coming year are: Mrs. Merle R. Francis, president; Mrs. Merrill Duncan, vice-president; Mrs. Hugh Rush, secretary; Mrs. J. J. Corrin, corresponding secretary; Mrs. Robert Bradt, treasurer and Mrs. Charles Latham, parliamentarian.

The club at present has grown to over one hundred members and hopes to have a steady growth over the years. To be eligible for membership it is necessary to be a resident of Coronado and interested in the aims and objects of the club. New members must be sponsored by two club members and must have attended at least one club meeting as the guest of a member before their name is submitted.

There are five sections to which members may belong, arts and crafts, toastmistress, music, books and the garden section. More sections will be formed as the club grows. Last year there was much interest in the parliamentary law lessons which the club sponsored, so this year at each meeting, Mrs. Charles Latham, the clubs parliamentarian will give a short drill.

One of the customs of the club is the social hour which follows the meeting. For September Mrs. Harry Perkins will be the tea hostess, and presiding at the tea tables will be Mmes. Merrill Duncan, Hugh Rush, Charles Latham and J. J. Corrin. Assisting Mrs. Perkins on the tea committee will be Mmes. Merrill Duncan, Edward Donnelly, G. R. Estey, C. C. Fifield, N. H. Faubel, A. J. Fisher, H. W. Hughes, Robert S. Davis and Robert R. Hall.

President's Message

*

THERE IS NO STANDING STILL

Evaluators of current history agree that we are passing through the greatest era of change in human relationships, in political relationships and in international relationships, which the world has ever known. As members of the Federation of Women's Clubs we have some influence in determining the direction these changes shall take in our community, in our state, in our nation and even in the world.

Changes are usually bewildering and the natural instinct is to resist them. Some present-day changes go deep and we may have to change our very minds and hearts to keep in step with them. As club women let us try to catch the vision of these new relationships. Let us thoughtfully and unselfishly sponsor and foster those changes which will bring the greatest good to the greatest number, and resist those changes which tend to diminish the liberty, rights and personal dignity of any man.

There is an old prayer which may help us to keep our equilibrium in these troublesome times of new ways. "God grant me the courage to change the things which I can change, the serenity to accept those I cannot change, and the wisdom to know the difference."

MRS. M. R. FRANCIS.

A COLLECT FOR
CLUB WOMEN

Keep us, O Lord, from pettiness: let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward and unafraid.

Grant that we may realize that it is the little things that create differences; that in the big things of life we are as one.

And may we strive to touch and know the great common woman's heart of us all, and O Lord God, let us not forget to be kind.

Coronado Womens Club to Open Second Season Wednesday, at Parish Hall

Aug.20,1948

The Coronado Woman's club will open it's second club year on Wednesday, September 1, at 1:30 p.m., in the Episcopal Parish hall.

Receiving members and their guests at the door will be Mrs. Charles T. Allen, Mrs. Clarence Anderson and Mrs. Elwin Anderson.

Under the leadership of Mrs. Merle R. Francis, president, members are looking forward to a full calendar of events and programs. The feature of the September meeting will be "President's Day," when Mrs. Francis will present two clubwomen, Mrs. David A. Frazer and Mrs. W. S. Rockwell, Mrs. Frazer, past county president of the American Federation of Woman's clubs and now ethics chairman for the state federation, will talk on "Club Ethics." Mrs. Rockwell, mental hygiene chairman of the county federation and jr. past president of the San Diego Woman's club, will take as the topic of her address "The Outlook of a Clubwoman."

The Coronado Woman's club was organized in March 1947 and became a member of the American Federation of Woman's clubs in April of that year. The object of the club is to provide means for culture, philanthropy and socialibility. The club meets the first Wednesday of each month from September through May.

Last year the main object of the club's philanthropic program was to sponsor "Girl Youth in Coronado. Both the Coronado Girl Scouts and the Camp Fire Girls benefited, with members of the Woman's club taking an active part in leadership and council. Mrs. Burton Hervey was chairman of the Girl Scout committee, and Mrs. C. H. Soderbery chairman of the Camp Fire Girls committee.

The club has also raised over $500 for the child health revolving fund of Coronado, through the efforts of their civic welfare committee, headed by Mrs. Elwin Anderson.

Another objective of the club is to have a clubhouse. This is a plan for the future but the ways under the laedership of Mrs. Curtis Hinkle.

Officers for the coming year are: Mrs. Merle R. Francis, president; Mrs. Merrill Duncan, vice-president; Mrs. Hugh Rush, secretary; Mrs. J. J. Corrin, corresponding secretary; Mrs. Robert Bradt, treasurer and Mrs. Charles Latham, parliamentarian.

The club at present has grown to over one hundred members and hopes to have a steady growth over the years. To be eligible for membership it is necessary to be a resident of Coronado and interested in the aims and objects of the club. New members must be sponsored by two club members and must have attended at least one club meeting as the guest of a member before their name is submitted.

There are five sections to which members may belong, arts and crafts, toastmistress, music, books and the garden section. More sections will be formed as the club grows. Last year there was much interest in the parliamentary law lessons which the club sponsored, so this year at each meeting, Mrs. Charles Latham, the clubs parliamentarian will give a short drill.

One of the customs of the club is the social hour which follows the meeting. For September Mrs. Harry Perkins will be the tea hostess, and presiding at the tea tables will be Mmes. Merrill Duncan, Hugh Rush, Charles Latham and J. J. Corrin. Assisting Mrs. Perkins on the tea committee will be Mmes. Merrill Duncan, Edward Donnelly, G. R. Estey, C. C. Fifield, N. H. Faubel, A. J. Coronado Woman's Club To Ship Gifts to Scotland

By BETTY PEACH

Members of the Welfare Committee of Coronado Woman's Club will meet in Coronado Youth Center tomorrow to pack boxes of food and clothing to be sent to Scotland. Work on the project was inspired by a recent letter from Mrs. A. J. Toering, former Coronado resident who now lives in Glasgow. She appealed to members for any cast off warm clothing, regardless of length, as longer fashions have made no inroads in Scotland. she wrote.

Mrs. Toering volunteered to make a clearing house of her home, and to distribute the clothing where it is most needed. "Clothing rationing is grim," she wrote. "Only 20 coupons are issued each adult every 5 months. With suits and coats costing 18 coupons each, it is easy to understand the problem of the consumer." Household linens must be purchased from the same 20-coupon issue, her letter related.

The former Coronado resident said that in the line of food, only potatoes, cauliflower and cabbage were plentiful. She said rice, packaged puddings and gelatine desserts were luxuries, dried fruits, and raisins were needed, and that tinned meats were simply unobtainable in Scotland.

All members of the club have been asked to contribute to the packages. Members of the welfare committee will pick up donations. Mrs. Edward Hogan, welfare chairman, may be contacted for additional information.

Local Representatives Take Part in County Building Tour

Dramatic presentation of the reasons San Diego County needs a new Hall of Justice and Juvenile Detention Center was presented to more than 50 leaders of county women's organizations during a tour of the establishments last Friday.

Among those on the tour were Mrs. Merle R. Francis of the Coronado Woman's club and Mrs. Florence Brown of the Coronado Business and Professional Women's club.

The tour followed a luncheon in Imig Manor, sponsored by the Citizens' Committee for Bonds, which is directing a campaign to assure passage of the two county bond issues on the November 2 ballot.

G. E. Arnold, San Diego Water Department head, cited the great growth of this area as the main reason new facilities are required today.

"Everyone thought that after the war our population would drop," he said. "But look what happened. There was a slight dip, and the population began to increase. Today we are back at our wartime peak and still growing."

The courthouse was built 77 years ago, when nobody had any idea there would be as many people here as there are today. Mandatory repairs and fire safeguards would cost nearly a million dollars. Renovation of Anthony Home, the women learned, would cost another $400,000. All of this would have to be paid from current tax revenues unless the bond issues are voted. The bond would spread the cost over 30 years. The Hall of Justice issue, for $5,000,000 and the $500,000 Juvenile Detention Center bond issues would spread the cost over 30 years.

Federation Convention Set In Coronado Nov. 3, 4 and 5

By BETTY PEACH

Club women from five counties will meet in Coronado Nov. 3, 4 and 5, when the 47th annual convention of Southern District, California Federation of Women's Clubs, is held in Hotel del Coronado. "Good Neighbors" will be the theme for the convention at which members of Coronado Woman's Club will serve as hostesses along with members of San Diego County Federation.

Principal speakers for the convention will be Mrs. George J. Wheat of Arcadia, Rev. Kenneth B. Carson, pastor of First Presbyterian Church, Coronado, and Will Rogers Jr., Beverly Hills newspaper publisher and former congressman.

Mrs. Wheat will speak at 11 a.m. of the second day, during a program dedicated to Pan-American relations. Her topic is "Women of South America." Mrs. Wheat recently returned from an extensive tour of that country.

"That Neighbor of Mine" is the subject of an address Rev. Carson will give at 11 a.m. Nov. 5. He will be followed by Mr. Rogers who will discuss the Save-the-Children Federation, in which he is an active member.

REGISTRATION

Registration for the convention will begin at 1 p.m. Nov. 3. Adm. G. F. Neal, USN, ret., mayor of Coronado, will give the welcome address at the opening meeting at 3 p.m. Mrs. M. R. Francis, president of Coronado Woman's Club, and Mrs. Louis P. Zill, county president, will also extend a welcome.

A banquet honoring Mrs. J. C. Bradbury, state president, will be given at 6:30 p.m., followed by a program at 8:30 p.m. dedicating the convention to Mrs. John Stewart. Mrs. Arthur C. Kieser of Riverside will make the dedication address. Mrs. Bradbury will speak afterward.

GUESTS THURSDAY

Members of Pan American League will be guests at the convention on its second day, and Mrs. Jack Wilson Edwards, president of the local branch, will be a guest on the platform, to hear Mrs. Wheat. Consuls from Latin American countries have been invited to attend with their wives. They include Dr. and Mrs. A. P. Nasatir of Paraguay; Mr. and Mrs. Oswaldo Tamayo of Ecuador; Mr. and Mrs. Philip L. Gildred of Chile and Mr. and Mrs. Rafael T. Orendain of Mexico.

The banquet that night will honor Mrs. John Stewart and presidents of the five county federations; Mrs. T. B. Shank, Imperial; Mrs. L. L. Williams, Orange; Mrs. Kirk Parmeter, Riverside; Mrs. John Koeneman, San Bernardino, and Mrs. Zill, San Diego.

Mrs. Benjamin F. Warmer of Ontario and Mrs. E. W. Shirk of Redlands will be honored at a meeting on the morning of the final day, when Rev. Carson and Mr. Rogers are to speak.

Cranmer of Redlands, who will introduce speakers; Mrs. Ben B. Sturtevant, National City, decorations, assisted by Mrs. E. D. Buffaloe, Mrs. F. W. Savage, Mrs. Emma Morrow, Mrs. E. A. FOR POLIO VICTIM

Coronado Woman's Club, always original, has started a new project. This is "A Package a Week" to be sent to a 7-year-old convalescent polio patient in their transbay city. Eight packages have been sent so far, they report, and the youngster and her roommates wait anxiously for the arrival of the weekly box. It is expected the little recipient will be in the hospital for a year and hours drag slowly, even when one is brave.

Mrs. E. P. Hogan is in charge and games, toys, balloons and other amusing things contributed by club members have gone into the boxes. Mrs. Hogan says anyone who wishes to contribute is welcome to contact her or any other member of her welfare committee.

The club is selling tickets also to the West Coast premiere of the Coronado Players show for Oct. 27, "An Inspector Calls," Mrs. Curtis Hinkle, chairman, announces. A portion of the sale receipts will be used by the club to establish a student nurse scholarship for a Coronado girl.

Members of the club will serve as hostesses for that premiere and will assist in serving coffee during intermission.

Oct.23,1948

CORONADO CLUB

If we distributed orchids for heart-warming projects, every member of the Coronado Woman's Club would be wearing one of the exotic flowers.

Members are sending a package a week to a 7-year-old convalescent Coronado polio patient and have already sent eight boxes to delight the youngster and her roommates. The little patient will probably be in the hospital for at least a year, according to Mrs. E. P. Hogan, welfare chairman, who points out that donations of toys, books or games will be welcome.

The Coronado women are also shipping boxes of food and clothing to Scotland in rapid reply to a letter received by Mrs. Hugh Rush, from a former president of the club, Mrs. A. J. Toering, who is living in Glasgow.

Mrs. Toering writes that clothing rationing is grim with only 20 coupons issued to each adult every five months. That's not much, when you consider a suit or coat alone takes 18 coupons and household linen must also come out of the precious coupon ration.

Potatoes, cauliflower, and cabbage are the only plentiful foods, Mrs. Toering says, and such foods as rice, jello, packaged pudding mixes, raisins, dried fruit and tinned meats are considered delicacies.

Oct.19,1948

FOR POLIO VICTIM

Members of Coronado Woman's Club are soliciting items for the weekly package which the club sends to a 7-year-old Coronado girl, who is convalescing from polio. Games, books, toys, balloons and other items are included in the packages. Mrs. Edward Hogan is in charge of the packages and prospective donors are asked to contact her.

'Good Neighbors' Theme as Clubs Plan Convention

October 24,1948

By IRENE M. CLARK
The Union's Club Editor

Clubwomen from Southern District's five big counties will be heading Coronado-wards soon to attend the 47th annual convention of the district Nov. 3 to 5 in Hotel del Coronado. For the first time in the history of that important grouping of the state's clubwomen, there will be a Coronado club to serve as hostess. Mrs. Merle R. Francis, president of the little more than a year old but thriving Coronado Woman's Club, is working with her members and Mrs. Louis Zill, county president, to see that details of the big session are competently arranged for the visitors' comfort. The two will officially welcome the convention crowd.

With a convention theme of "Good Neighbors," and election of officers for the ensuing 2 years slated, the session promises to be stimulating. Mrs. Edward A. Crokat, of San Diego, who will preside for the last convention in her term, has dedicated the program to Mrs. John Stewart, of Hemet, representative for Southern District on the board of trustees of the California Federation of Women's Clubs.

CANDIDATE UNOPPOSED

Mrs. J. C. Bradbury, of Ceres, state president, will attend. Other district officers who will be present include: Mmes. Max A. Cranmer, of Redlands, vice president; Adolf Binder, of Calexico, secretary; Henry Gabbe, of San Diego, corresponding secretary; E. W. Rees, of Seal Beach, treasurer; S. K. McKenzie, of Riverside, auditor; George G. de La Motte, of San Diego, parliamentarian, and Stewart, trustee.

Mrs. C. C. Bonebrake, of Orange, is up for president, and at present there is no indication of opposition to her candidacy. Following the usual custom that the county which last provided the district president is entitled only to one of the lower officers in such an election, it is believed Mrs. John P. Karlik, of San Diego, will be named auditor this term. On the nominating committee, San Diego County is represented by Mrs. J. D. Shipp, and Mrs. W. D. Dermyer of this city is on the election board.

JUNIORS, CHIEFS TO ATTEND

Junior membership leaders who will attend include Mrs. Albert Hoffmaster, of Santa Ana, district president, and Mrs. Roy D. Lay, of Riverside, adviser. County presidents who will take part include Mmes. T. B. Shank, of Brawley, Imperial County; L. L. Williams, of Orange, Orange County; Kirk Parmenter, of Norco, Riverside County; John Koeneman, of Barstow, San Bernardino County, and Zill, of San Diego County, official hostess.

Mrs. Chester Allan Smith, of Coronado, is general convention chairman working with Mrs. Marcus Robbins, of San Diego, vice chairman. Others in key positions are: Mrs. Max A. Cranmer, of Redlands, program; Ben V. Sturtevant, of National City, decorations, assisted by Mrs. E. D. Buffalow, of Ocean Beach Woman's Club Garden Department, who will put flowers in visitors' rooms; F. W. Savage, of Oneira Garden Department, who will make corsages; Emma Morrow, of Olivewood Garden Section, platform decorations; E. A. Girard and Arthur L. Seavey, of Coronado Club, table decorations, and Mrs. Edward Dwyer, place cards.

EXHIBITS ARRANGED

Music and singing will be directed by Mrs. J. Raymond, of Gilman Hot Springs, president of San Jacinto Woman's Club; Mrs. F. H. Becker, of Riverside, will be accompanist.

Mrs. Simon F. Healy has been appointed platform hostess with Mrs. John Andrew and Mrs. Hale Whitaker, of Lakeside, assistants. The page committee is being appointed by Mrs. Arthur E. Crom, County Juniors president, who will select them from her membership.

Exhibits of yearbooks from all clubs in the district will be on display, Mrs. Gabbe in charge, and a fine arts exhibit will be arranged by Mrs. Harold Jobes, of Orange. Arts and crafts made by district women will be shown by Mrs. Juanita Champion, of Riverside. A large history book of district activities and copies of the state official magazine, the California Clubwoman, will be on view. Mrs. E. F. Clark, of Riverside, historian, and Mrs. R. M. Wilson will be in charge of these.

OPENS WEDNESDAY

Mrs. Crokat will call the convention to order for the opening session at 3 p.m. Wednesday. Adm. G. F. Neal, Mayor of Coronado, and Elwood T. Bailey, of the San Diego Convention Bureau, will welcome the women. Report of the nominating committee will be given.

A 6:30 dinner honoring Mrs. Bradbury will be held that evening and at 8:30 in the ballroom. Mrs. Arthur G. Kieser, of Riverside, immediate past district president, will dedicate the program to Mrs. Stewart, and Mrs. Bradbury will give her official address.

A bugler and color guard from the Naval Air Station will open the Thursday session at 9:30 a.m. Special guests for the day will be members of San Diego Chapter, Pan American League. Speaker will be Mrs. George J. Wheat, of Arcadia, who will speak on "Women of South America."

HONOR PAN AMERICANS

Special guest will be Mrs. Jack Wilson Edwards, Pan American League president, and Latin American consuls and their wives in San Diego. These are: Dr. and Mrs. A. P. Nasatir, Paraguay; Sr. Oswaldo Tamayo, Ecuador, and Mrs. Tamayo; Phillip L. Gildred, Chile, and Mrs. Gildred, and Sr. Rafael T. Orendain, Mexico, and Mrs. Orendain.

The dinner that night will honor Mrs. Stewart and the five county presidents. Mrs. Virgil Porter, San Diego choral organizer, will present the Escondido and Pacific Beach Women's Clubs' choruses, and Mrs. Izetta Jewell, district drama chairman, will give readings. A skit, "Reciprocity," will be presented by the Junior Membership. The annual parade of club presidents also will be featured.

AWARDS TO BE ANNOUNCED

Mrs. Benjamin F. Warmer, of Ontario, junior past president of the state federation, and Mrs. E. W. Shirk, of Redlands, General Federation Education chairman, will be honored at the Friday morning session. Announcements then will be made of the penny art contest and civic achievement awards.

Rev. Kenneth B. Carson, pastor of Coronado's First Presbyterian Church, will speak on "That Neighbor of Mine," and Will Rogers Jr., of Beverly Hills, will talk on the Save-the-Children Federation, Inc., whose plans include the Navajos.

The Art section of the Coronado Woman's club visited the San Diego Museum of Fine Arts to view the Britannica Collection in a group.

The visit included a conducted tour by the assistant director of the museum who described the painting techniques of the artists and added many interesting sidelights. Mrs. Arthur Seavey and Mrs. Monty Lewis headed the group.

Scholarship Founded

Members of the Coronado Women's club report the ticket sale for the Wednesday performance of the Coronado Players "An Inspector Calls" in its final stage.

Their portion of the receipts from that evenings tickets will be used to establish a student nurses scholarship for a Coronado girl to be chosen by the Nurses' Schoolarship Committee, all of whom are doctor's wives. Mrs. Roert T. Plumb will head this committee; she will be assisted by Mrs. Gjermund Hoyme, Mrs. Mary L. Sherman, Mrs. Clarence Moore and Mrs. Meyer Weiner.

The project of a scholarship was encouraged by a recent American Medical Association report announcing an acute shortage of nurses in the hospital, stating that there is a current shortage of 60,000 nurses in this country alone. The club hopes to find a Coronado girl who desires to become a nurse but needs financial help on her entrance fee.

Clothing Drive Success

Many Scots will be warmed by the generous response by the friends and members of the Coronado Woman's club in their recent drive for clothes and packaged foods.

An overwhelming collection of warm and wearable clothes was delivered to be packed for shipping by the Welfare Committee who spearheaded the drive. Mrs. Edward Hogan announced that 125 articles of woman's clothing, 57 articles of men's clothing and 120 warm children's garments were packed along with 55 pairs of wool sox.

The call for packaged foods was answered by 200 separate articles of food including the much desired rice and jello. Six beautiful quilts and blankets will be received by Mrs. A. J. Toering, the former Coronado resident now living in Glascow, Scotland who will distribute these things among the Scots people. The club would like to thank their friends who made this good will possible.

WOMAN'S CLUB SENDING PACKAGES TO SCOTLAND

The Welfare Committee of the Coronado Woman's Club will pack boxes of clothes and food for Scotland Wednesday at the Youth Club. This newest project of the club was stimulated by a recent letter from Mrs. A. J. Toering, a former resident of Coronado, who is now living in Glasgow, Scotland. Mrs. Toering asked for any warm cast-off clothes regardless of the length, since the new-look is not important in Glasgow. She has graciously offered to make her home a clearing-house and will distribute the articles where they are needed.

She writes that the clothing rationing is grim with only 20 coupons issued to each adult every five months. A coat or suit calls for 18 coupons and household linen should come out of the 20 points, to.

Potatoes, cauliflower and cabbage are the only plentiful foods. Rice, jello and packaged puddings bring gasps of joy. Raisins and dried fruit are desperately desired and tinned meats just can't be found, Mrs. Toering writes.

All members of the Woman's Club will be personally contacted and a member of the committee will pick up bundles at specified times. Mrs. Edward Hogan is chairman of the committee.

Mrs. Edward Hogan, club welfare chairman, announces that 125 articles of women's clothing, 57 articles of men's clothing, 120 garments for children and 55 pairs of woolen socks were sent, along with 6 quilts and blankets. Pan-American Friendliness Praised at Convention

By BETTY PEACH

Interest in Pan-American friendliness was renewed yesterday at the second day's sessions of Southern District, California Federation of Women's Clubs convention in Hotel del Coronado. Members of San Diego Branch, Pan American League, and consuls from Latin American countries were guests on the platform in the afternoon session and were introduced by Mrs. Edward A. Crokat, district president. Raphael T. Orendain, Mexican official, and Dr. A. P. Nasitir, consul for Paraguay, spoke.

"Pan Americanism is not an ideal dream," Orendain said, "but is a working reality. Let us work to keep the Americas a refuge of free men. Let us keep the faith of our pioneer ancestry, and keep our countries free of idolatry and bigotry."

Speaks of Paraguay

Dr. Nasitir told his audience of more than 300 club women from the five counties in the district, something of the general life in the tiny country of Paraguay he represents. "It is sometimes considered the 'upside down' country, as it appears on the map. Paraguay had no long bloody revolution or struggle for freedom. When the people decided they wanted freedom, they merely bought one-day tickets home for the officials, and a sort of democratic government took over."

"Paraguay is contributing to the world neighborliness policy by accepting displaced persons from Europe," he said. "Only recently the fifth shipment of DPs arrived there to settle in the wooded northern country, where agriculture and hardwood lumber form the principal industries."

Tells of Tour

Mrs. George J. Wheat, district chairman of international relations, was principal speaker during the morning session. She has returned recently from a 20,000 mile air tour of South American countries, where she talked with teachers, club women, Y.W.C.A. secretaries, and members of civic clubs. She gave a detailed report of her studies of the privileges and education of women, the customs, marriages and divorce laws, and the extent to which women participate in politics.

"It is interesting to note that in several countries, voting is not merely a privilege, but is required by law. Repeated failure to vote can cost one his citizenship in Brazil. Argentina has recently granted women the right to vote, and Uraguay only recently granted that right along with the right to own property. Divorce laws are strict, and in many nations, divorce is absolutely impossible."

Mrs. Wheat said she was surprised not by differences, but by great similarities between North and South American nations.

Tour and Tea

Following the afternoon session, delegates were guests of Coronado Woman's Club for a tour of Coronado and of North Island, where the visitors were guests of the Navy for a sight-seeing trip over the Naval Station. Later the Woman's Club served tea in Coronado Yacht Club. Mrs. Ben Seymour was chairman of the affair, assisted by Mrs. G. Hoyme, Mrs. Herman Hughes and Mrs. M. R. Francis.

Last night's program of entertainment included San Diego County Chorus, conducted by Mrs. Virgil Porter, dramatic readings by Mrs. Hugh Miller, and a skit, "Reciprocity," presented by Mrs. Arthur Crom, county Juniors president. Members of her cast from Mission Beach Junior Women's Club included Mrs. H. Tucker, Mrs. N. Gates, and Mrs. W. Shirrod. A parade of club presidents from 112 clubs, closed the night meeting.

Sessions Today

Opening session today was to honor Mrs. Benjamin F. Warmer, in a talk by Mrs. Kirk Parmeter. Rev. Kenneth B. Carson, pastor of Coronado Presbyterian church was to speak on "That Neighbor of Mine."

Will Rogers Jr., of Save the Children Federation, Inc., is slated as principal speaker at the afternoon meeting. He will talk on the needs of Navajo children, and what club women can do to help them. Rogers has been active in the interest of Navajo children for more than a year.

Tells of Tour

Mrs. George J. Wheat, district chairman of international relations, was principal speaker during the morning session. She has returned recently from a 20,000 mile air tour of South American countries, where she talked with teachers, club women, Y.W.C.A. secretaries, and members of civic clubs. She gave a detailed report of her studies of the privileges and education of women, the customs, marriages and divorce laws, and the extent to which women participate in politics.

"It is interesting to note that in several countries, voting is not merely a privilege, but is required by law. Repeated failure to vote can cost one his citizenship in Brazil. Argentina has recently granted women the right to vote, and Uraguay only recently granted that right along with the right to own property. Divorce laws are strict, and in many nations, divorce is absolutely impossible."

Mrs. Wheat said she was surprised not by differences, but by great similarities between North and South American nations.

Tour and Tea

Following the afternoon session, delegates were guests of Coronado Woman's Club for a tour of Coronado and of North Island, where the visitors were guests of the Navy for a sight-seeing trip over the Naval Station. Later the Woman's Club served tea in Coronado Yacht Club. Mrs. Ben Seymour was chairman of the affair, assisted by Mrs. G. Hoyme, Mrs. Herman Hughes and Mrs. M. R. Francis.

Last night's program of entertainment included San Diego County Chorus, conducted by Mrs. Virgil Porter, dramatic readings by Mrs. Hugh Miller, and a skit, "Reciprocity," presented by Mrs. Arthur Crom, county Juniors president. Members of her cast from Mission Beach Junior Women's Club included Mrs. H. Tucker, Mrs. N. Gates, and Mrs. W. Shirrod. A parade of club presidents from 112 clubs, closed the night meeting.

Pan-American Friendliness Praised at Convention

By BETTY PEACH

Interest in Pan-American friendliness was renewed yesterday at the second day's sessions of Southern District, California Federation of Women's Clubs convention in Hotel del Coronado. Members of San Diego Branch, Pan American League, and consuls from Latin American countries were guests on the platform in the afternoon session and were introduced by Mrs. Edward A. Crokat, district president. Raphael T. Orendain, Mexican official, and Dr. A. P. Nasitir, consul for Paraguay, spoke.

"Pan Americanism is not an ideal dream," Orendain said, "but is a working reality. Let us work to keep the Americas a refuge of free men. Let us keep the faith of our pioneer ancestry, and keep our countries free of idolatry and bigotry."

Speaks of Paraguay

Dr. Nasitir told his audience of more than 300 club women from the five counties in the district, something of the general life in the tiny country of Paraguay he represents. "It is sometimes considered the 'upside down' country, as it appears on the map. Paraguay had no long bloody revolution or struggle for freedom. When the people decided they wanted freedom, they merely bought one-day tickets home for the officials, and a sort of democratic government took over."

"Paraguay is contributing to the world neighborliness policy by accepting displaced persons from Europe," he said. "Only recently the fifth shipment of DPs arrived there to settle in the wooded northern country, where agriculture and hardwood lumber form the principal industries."

CONVENTION PRAYER

Prayer for Peace

"O God, who hast made of one blood all nations of men, mercifully receive the prayer that we offer for our anxious and troubled world.

Send Thy light into our darkness and guide the nations as one family into the ways of peace. Take away all prejudice and hatred and fear.

Strengthen in us day by day the will to understand.

And to those who by their counsels lead the people of the earth, grant a right judgment, that so through them and us Thy will be done through Jesus Christ our Lord. Amen."

CONVENTION HYMN

OH MASTER, LET ME WALK WITH THEE

Oh Master, let me walk with Thee,
In lowly paths of service free;
Tell me Thy secret; help me bear
The strain of toil, the fret of care.

Help me the slow of heart to move
By some clear, winning word of love;
Teach me the wayward feet to stay
And guide them in the homeward way.

Teach me Thy patience! Still with Thee
In closer, dearer company,
In work that keeps faith sweet and strong,
In trust that triumphs over wrong.

In hope that sends a shining ray
Far down the future's broad'ning way,
In peace that only Thou canst give
With Thee, Oh Master, let me live.

Coronado Woman's Club Sponsors Gift Drive for Navajo Children's Christmas

Dec. 10, 1948

Members of the Coronado Woman's Club were again generous in their response to the plea for gifts for the Navajo children in St. Michaels, Arizona.

Gifts for their Christmas stockings included small toys, gum, paint sets, crayons and small articles of warm clothing which will be sent to arrive in time for the Christmas party at the Hunters Point school, S. Michaels, Arizona.

This current Christmas project was brought to the attention of the club by Mrs. W. R. Nichols who has headed the project with special encouragement from a close friend, Mrs. R. H. Winsor, who is teaching at the Hunter Point school. A welcome gift will be a crate of oranges sent along with the toys and clothes by Mr. C. A. Gray who heard of the project and sent an orange for each child's stocking.

The Arts and Crafts section of the Coronado Woman's club simplified shopping for the members by displaying and selling hand made articles that were made by members of that section under the direction of Mrs. Edgar E. Webb and Mrs. Francis Grisco at the December meeting.

Hand printed towels, luncheon sets, cocktail napkins, copper tooled cigarette boxes and book ends were among the useful gifts sold.

The Music section brought Christmas closer by playing and singing a group of unusual Christmas songs among which were songs of other lands. During the tea hour the ladies played Christmas carols and invited group singing. Mrs. Hugh Hadley is chairman of their group.

Mrs. Clarence Moore presented the club with a dozen cups and saucers which arrived in time for a Christmas acceptance.

Coronado Woman's Club Welfare Committee Participates in Many Christmas Projects

Dec. 10, 1948

The Welfare committee of the Coronado Women's club has been more than busy during the last few months. Their many projects have included a clothing drive, toys for needy children, gifts for patients in the Children's Convalescent home and the Christmas Seal drive.

A shipment of 49 boxes, weighing 471 pounds was sent to Scotland, the result of a drive for warm clothing for men, women and children. These boxes will arrive in time for Chirstmas and through a distribution centre will be given to needy people. A grateful "thank you" will come across the sea to all the folks in helped to make this drive a success.

The children in Coronado, who gave their broken toys, will be happy to know 800 toys of every description were collected. They are being repaired in the workshop of the Salvation Army and will be distributed in hospitals, institutions and needy homes.

Every week since the polio epidemic, a little patient in the Children's Convalescent Home has been cheered by a gift given by members of the club. The committee continues their interest in this home and through the cooperation of the Needlework Guild, under the direction of Mrs. Walter Stitt, 50 toy bags were made to be given to the children. These bags will be hung on the side of the bed, so the little patients can have their Christmas toys near them.

The Christmas Seal drive is meeting with success, under the supervision of Mrs. Edward P. Hogan, assisted by Mrs. Hugh M. Rush, Mrs. F. Voltz and Mrs. Robert A. Bradt. The Camp Fire Girls and the Girl Scouts, prepared the self sellers and distributed the posters in Coronado.

Members of the welfare committee are: Mrs. Edward P. Hogan, Mrs. F. Barngrover, Mrs. H. Bornsen, Mrs. Ida Brooks, Mrs. Bette Dean, Mrs. A. Fisher, Mrs. R. Carrothers, Mrs. E. Garard, Mrs. G. TOY DRIVE FOR NEEDY CHILDREN

The Welfare Committee of the Coronado Woman's club reported the drive for broken toys is meeting with success, but to reach their goal, many more toys are needed.

The Salvation Army have turned their gymnasium into a workshop and under the supervision of experts many of their workers are repairing and making new all types of toys for boys and girls up to 13 years of age.

This is a opportunity for every child in Coronado to make some less fortunate child happy this coming Christmas season. Broken toys, or any part of a toy, such as wheels, parts of wagons, etc., will be appricated and a call to: Mrs. R. D. Carrothers, H 3-3586, Mrs. F. E. Barngrover, H 3-3429; or Mrs. H. M. Rush, H 3-5684, will start these toys on their way to be repaired for Christmas.

The goal set by the Salvation Army is 10,000 toys to be distributed, and it is the wish of the welfare committee that every child in Coronado will help make this drive a success.

Broadcast KYOR - 1 o'clock - Thursday, December 23

Topic - How a Woman's Club Has Put the Christmas Spirit into Practice All the Year Around.

Mrs. Hastings: How large is the Coronado Woman's Club and what are your aims?

Mrs. Francis: We have 104 active members. Our aim is to bring friendliness to the women of Coronado, to sponsor cultural activities and worthwhile programs and to foster philanthropy and welfare work in our community.

Mrs. Hastings: Does your organization have established traditions regarding their expression of the Christmas spirit?

Mrs. Francis: No, the Coronado Woman's Club will not be two years old until next March and we have not had enough time to establish traditions.

Mrs. Hastings: What do you consider the most important thing your club has done?

Mrs. Francis: First we have brought a spirit of friendliness to the women of Coronado. Our members represent a cross section of the women of our community and many new friendships have grown through our organization. In a cultural way our chief contribution was a musicale at which we presented Dr. Siegfried Volstad, pianist, and Florence White Volstad, soloist, in Coronado last summer. However, I am most proud of our welfare committee and their work.

Mrs. Hastings: What has your welfare committee done?

Mrs. Francis: The largest single project we have carried out and the one of most lasting value was a $500 contribution to the Coronado Child Health Revolving Loan Fund, which was earned by the welfare committee of last year.

Mrs. Hastings: How does this fund operate?

Mrs. Francis: This is a sum of money of over $900 administered through the school nurses with our welfare chairman, Mrs. E. P. Hogan, as its director. Through this fund, emergency medical and dental attention is given children whose parents are financially unable to have

Toastmistress Meeting

The regular meeting of the Toastmistress section of the Coronado Women's club will meet Tuesday, March 8, at 12:30 p.m., at the Dinner Basket.

Mrs. Hastings: Did you have a Christmas project?

Mrs. Francis: Yes, we sent a real Coronado Christmas to the Navaho Indian school at Hunter's Point, Arizona. We sent 104 pounds of toys, crayons and paints, harmonicas, small articles of clothing, candy and popcorn, and best of all, a crate of San Diego County oranges.

Mrs. Hastings: You have been busy ladies, is that all?

Mrs. Francis: No, our ladies always look for more things to do. One of our members, Mrs. H. M. Rush, knew that the Salvation Army needed more broken toys for their repair and distribution at Christmas. A general appeal was made and we received an overwhelming response of over 800 broken toys, including bicycles, tricycles and wagons. Also our members are handling the Christmas seal sale in Coronado and of course we contribute to the various national funds, heart, polio, cancer, and to civic undertakings also.

Mrs. Hastings: Do you have welfare plans for next year?

Mrs. Francis: Yes, right after the holidays we are establishing a clothing exchange in the public schools so that Coronado children can have adequate and suitable clothing to wear to school.

Mrs. Hastings: So you feel a woman's club can put the Christmas spirit, which is really the Christian spirit, into practice the year around?

Mrs. Francis: Indeed I do because there is great strength in organization and with the cooperation of many willing hands, heads and hearts almost no task is impossible.

Mrs. Hastings: To what do you attribute the fact that the members of the Coronado Woman's Club have achieved so much in a few short months?

Mrs. Francis: Coronado women have always done whatever they have undertaken very thoroughly. I think we as a club have achieved so much because of the complete cooperation throughout our club. Once a project is decided upon all the committees and sections cooperate to make that project a success:

Mrs. Hastings: Do you have a New Year's resolution?

MRs. Francis: Well no, although I think our members are very close to resolving to try to attain a clubhouse. If we had a clubhouse, we could open our membership to so many more

...sigh was a bit premature, because, right after a hectic "Hogmanay" (New Year) more packages began rolling in. Most of these we eventually gave to our Presbyterian Church, which has a mission in one of the poorer districts, so you may be sure that the clothing was used to the best advantage...we regretted not being able to see the pleasure it gave, though. And now there are five more parcels ready for distribution. These, I think, are the last, but Al has heard of several needy families near his factory, which is in a poor district, as is usual with factories, so we should have no trouble arranging these "bundles".

Nothing I can say could possibly convey the real joy you have all given I know you worked very hard...just giving things away is mild by comparison, and yet Al and I were tired after sorting and bundling things up. Because everything arrived so near to Xmas, there wasn't time to get the Amerícan Society Committee underway, but they've become intrigued by your idea and hope to contact other friends in the States with a view to carrying on your marvelous work. It will do no harm to relations between this country and America, apart from the material good it will do to really deserving families We feel very proud of you, Dottie, and of your gang. Only wish we could take a run over for one of our old evenings together, and for a spot of sunshine. You'll never really appreciate our beloved California until you've lived in a cold, damp climate such as this, with gloomy old houses, archaic household appliances, few compensations of any kind, what with rationing of everything, no petrol (pardon, gas!) for pleasure driving, no central heating (you should see me attending to three coal fires, and cleaning out same!)... and so go the moans. However, the people here do make up for a good deal... they've been wonderful to us, keep a sense of humour despite difficulties, and are more than generous. We feel that what you have done has helped us it, Dottie?

We sighed with relief when the last bundle was given away, but the sigh

18th. January, 1949.

Dear Dottie, and all the other Good Samaritans of Coronado,

Your tremendous effort over packing and shippingclothing and food parcels to this needy country culminated in a deluge of boxes and bundles snowing us under two days before Xmas, and being entirely distributed before Xmas Day. In other words, we thought we should at least prove equal to your amazing work by bringing some of the cheer you intended into the poorer parts of Glasgow...of which there are too many!...for Xmas. As a goodwill gesture, it was a great success, and a very touching one. I don't know that I've ever been moved as deeply as when three of the recipients burst into tears...on different occasions, fortunately...upon seeing the clothing and food they were to take. You should be receiving some letters of thanks soon, although several of the people are quite illiterate, an astounding fact when they are such decent folk. One poor soul said that she would very much like to thank the donors, but that, since she couldn't write, her daughter would send a letter; she added proudly: "She has had some schooling.".

Perhaps you would like to hear something of the people who are so grateful to you. The first one I mentioned is a charwoman, about 38, with a daughter permanently in hospital with T.B., a far too prevalent disease in this city. Her husband died two years ago after being bedridden for five years with the same complaint. When I gave her two of the blankets you sent, the tears came to her eyes, because she had had to burn the blankets the husband had used, and had been unable to buy more. Her second daughter is married, with a young family, a willing but war- invalided husband, and barely the means to give the children the chance She and her mother so long for... "Some schooling". Another woman, also a "char", is to have her fourth child shortly (unintentionally, she assures me, because her husband has been unemployed for seven months). She hasn't had a new dress or coat for five years and was completely overcome by the three dresses, a coat, and a few children's garments she received. Now that she has to stop work, things look pretty black, so she needed that bit of sheer. Yet another (my own char) is a young grandmother, with five grown children, and two lost in the war. She wants her family to get somewhere in this world, so she does out offices at 5.30 every morning, comes to me or someone else at 8.30, rushes home at 4 to have a decent meal for her family. Her girls are in offices, but with the meagre salaries here, and the rationing, they find it difficult to dress suitably. Consequently I sent them suits and sweaters which have already proved a blessing. One daughter refused a Xmas gift from "Mother" and used an attractive black dress sent by someone in Coronado as her present...she wore it Xmas day, and looked "lovely", according to her mother. These folk, who are really trying to make something of themselves, seem to me the ones who ~~really~~ deserve help. Yet another woman, about 34, lost her husband through T.B., and is trying to bring up a 12 year old boy who also has the disease...a heart-breaking situation. Another one "chars" offices, as does my char, at 5.30 a.m., and then does general work, because her two teen-age children are proving very smart at school, and she's anxious to give them every opportunity to advance even farther.

To you folk, as to me, three or four cast-off dresses, some Jello, a little rice, a packet of soup, mean very little, but to these people...well, I only wish you could have seen some of the facial expressions. I was almost in tears myself, and that's something for a hardened character like me, isn't it, Dottie?

We sighed with relief when the last bundle was given away, but the sigh

Blessings on thee little bag,

To produce the silver service
Without feeling weak and nervous;
For instead of getting dimmer,
Every piece will shine and glimmer;
So our spirits cannot sag,
Blessings on thee little bag.

Woman's Club Asks Council for New Clubhouse Site

Apr. 1 1949

At the City Council's Tuesday night meeting, the Coronado Woman's Club formally requested permission to build its proposed new clubhouse building on one of two sites selected in the Silver Strand area.

One includes the area between the National Guard Armory and bowling alley, with the second between the Coronado Yacht Clubhouse and the Hotel boathouse.

Mayor George F. Neal told the club's two representatives present, Mrs. H.L. Rose and Mrs. Merle Francis that both sites are out of the question until the State Legislature approves Assemblyman Cramer's Coronado tidelands title bill now pending in Sacramento.

At the same time, Councilman Archibald D. Abel asked the Woman's Club officers to consider instead, a site on Coronado's proposed Civic Center area, at the intersection of Sixth Street and Palm Avenue.

In answer to a letter from the Coronado Woman's club, the council informed the president, Mrs. M. Francis, that it would be unable at this time ~~to~~ grant the club a land lease for the construction of a club house either between the National Guard Armory and the bowling alley, or between Hotel del Coronado and Yacht club due to deed and tide land restrictions.

A variety of entertainment is planned including a fortune telling booth presided over by Mrs. A. D. Challacombe. Mrs. Walter Stitt is in charge of the punch and cookies, and Mrs. A. E. Schaefer and Mrs. J. V. Peterson are responsible for the music.

A group of high school students under Marcia Peterson and Ann Magley are taking care of the posters and publicity at the schoo.

Other members of the civic interest committee working for the success of the party are: Mmes. Michael Thomas, R. E. Archibald, E. Donnelley, C. C. Fifield, H. L. Rose, M. J. Goodbody, A. R. Boileau, James Varnetti and Miss Marian Meyers.

Staff Chosen By Coronado Clubwomen

Apr.7,1949

By IRENE M. CLARK
The Union's Club Editor

Mrs. W. R. Nichols, wife of Capt. Nichols, USN, ret., was elected unanimously as president of Coronado Woman's Club at the April meeting yesterday in Christ Church parish hall.

Mrs. Nichols is the second president of this lively group of more than 100 members, which is completing its second year. After her installation in May, she will take over the duties held since she led organization of the club in 1947, by Mrs. Merle R. Francis, who has served two elective terms.

ACTIVE CIVIC WORKER

The new president, as the wife of a naval officer, has traveled widely over the globe, has been active in such public work as is carried on by the Navy Relief Society, the Red Cross, Nurses Aid, and other philanthropic endeavors, and comes to her new duties with much administrative work to her credit.

She will be assisted this year by the following officers elected as her staff: Mrs. Walter E. Stitt, vice president; Mrs. J. D. McKinney, recording secretary; Mrs. R. J. Christensen, corresponding secretary; Miss Elsie Thompson, treasurer, and Mrs. Charles A. Free, Mrs. Luther Kennett, Mrs. A. R. Boileau and Mrs. Walter Rumney, directors. The new staff will begin to function at the opening autumn sessions.

CLUBHOUSE PLANNED

The Coronado club has been the lusty and admired "infant" of the County Federation during its short life. It already has more than $1000 set aside in a fund for building a clubhouse so that all those who wish to join its comradeship may be able to attend (at present impossible), and has been federation-minded from its inception.

Before it was a month old it affiliated with County, District and California Federations. Yesterday a general vote approved forwarding of the membership application to the General Federation of Women's Clubs, to make this group a full-fledged member of the great national body.

RECEPTION PLANNED

When the new staff is installed in May, a ceremony will welcome 24 new members into club fellowship. A reception and tea are being planned for April 24 to pay tribute to the splendid work done by Mrs. Francis and her corps of officers. Mrs. Arthur D. Challacombe is chairman for that event.

Mrs. Merrill Duncan, chairman of the nominating committee, announced the slate which her committee had prepared. Others on that group were Mmes. C. C. Fifield, Mark Vilim, Paul Corriere and Elmer Muhl.

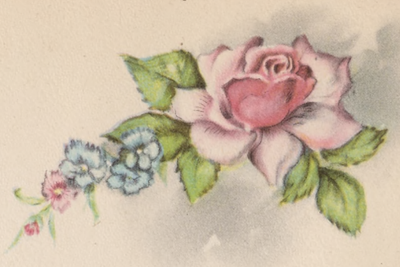
CHAIRMAN HEARD

Mrs. George A. McDonald, San Diego County Federation chairman of California History and Landmarks, spoke yesterday on "Where to Go and What to See in San Diego County."

Another interesting feature of the meeting was an exhibit of modern art, arranged by Mrs. Francis and her art chairman, Mrs. Arthur Seavey. Prints on display were part of a collection owned by Miss Patricia Francis, student of art and design at the University of California at Los Angeles. A brief parliamentary law drill was given by Mrs. C. C. Latham.

Mrs. Robert S. Davis, hostess chairman, assisted by Mrs. Henry C. Bornson, Mrs. James Caterina and Mrs. Challacombe, greeted members at the door.

Mrs. J. W. Rodes, hospitality chairman, assisted by Mrs. J. T. Acuff, had arranged a tea following the meeting for which those assisting were Mmes. Bornson, Robert Thorne, Samuel Mann, J. D. McKinney, James A. Miller, C. H. Soderberry, Charles Free, Edgar E. Webb, Howard King and Arthur Chytrus.



We are hoping that your birthday
Is a MORE than happy one
From the moment you begin it
Til it's over with and done;

And since all of us TOGETHER
Wish that special wish for you--
If there's really "strength in numbers,"
It will certainly come true!
